

Staking Service Agreement

You agree to use/activate the Staking Services provided by MAX Digital Assets exchange (hereinafter referred to as the “MAX”). You hereby agree to carefully read this Staking Service Agreement (hereinafter referred to as the “Agreement”) prior to you using/activating the Service. You also agree and fully understand the content of the Agreement as following:

1. You agree and understand that you have already reviewed and read the descriptions and content of relevant materials of the Service prior to using the Service. You have cautiously assessed your own situation and your risk tolerance under the premise that you understand various kinds of investment risks before your decision of whether to use the Service.
2. You agree and understand that MAX only accepts your authorization and acts only as an agent to provide this Service based on your authorization accordingly; MAX does not provide any investment management regarding this Service. You authorize and commission MAX to put the specific crypto amounts that are transferred by you (hereinafter referred to as the “transferred amount”) on your behalf into the staking mechanism and to provide validation service of the specific kind of crypto’s consensus system (hereinafter referred to as the “PoS mechanism”) when you tick the box of agree to this Agreement.
3. You agree and understand that you shall pass the real-name authentication in order to authorize MAX and to use or activate the Service hereof. In addition, you shall also comply with any other requirements or limitations from MAX based on MAX’s internal risk control measures or other qualification threshold. MAX may terminate this Service or this Agreement in the event that you fail to pass the real-name authentication, the internal control mechanism or other requirements of MAX.
4. You agree and understand that the Service has related risks (including but not limited to smart-contract risks, security risks, market risks, operational risks as validators, slippage, impermanent loss and the fluctuation of yield). These related risks will all affect the expected return of the Service

when you authorize MAX on your behalf to participate in the PoS mechanism; the related risks might also cause all or partial loss of your transferred amount. MAX does not undertake or guarantee any profits and/or minimum earnings of the Service or make other similar undertakings in terms of the expected return of the Service. You agree to evaluate cautiously before using/ activating this Service and understand the risks mentioned above.

5. When you use/activate this Service, you agree and understand that specific kind of staking crypto, the minimum and maximum of staking amount, the expected return of the specific crypto currency, the percentage of service fees charged, the handling period of staking and unstaking, the period of expected return of each currency, the cycle period of issuing yield of this Service and any other detailed information of this Service shall subject to the relevant pages of the Service.
6. You agree and understand that once you activate staking hereof, you can only unstake until MAX completes the process of staking your transferred amount into the PoS mechanism, as well as further conditions specified in the relevant pages of this Service show “Staked”.
7. You agree and understand that all expected returns mentioned in the Service are referred to as annualized returns (a year hereof amounts to 365 days). All expected returns of the Service are solely estimated and subject to changes at any time.
8. This Service will be eligible for yield accrual after 24 hours once MAX successfully stakes your transferred amount into the PoS mechanism. The yield of this Service will be accrued and distributed according to the realized return of this Service by the distribution schedules declared in the relevant materials of the Service..
9. You agree and understand that MAX will charge you service fees by certain percentage of the yield generated from your transferred amount in the event you choose to acquire the yield by the original currency of the staking transferred amount; provided however, MAX may waives its rights to ask for service fees hereof if you choose to acquire the yield by MAX Token (MAXT). The amount of MAXT you are entitled to acquire as yield of

this Service shall be calculated according to the elaboration of relevant pages of this Service and converted based on the amount of the yield generated from your transferred amount.

10. You agree and understand each transferred amount for staking is distinct from the others. You can only unstake the entire amount in terms of the specific transferred amount that you staked in this Service, partial unstaking is not permitted. The handling period of unstaking shall be subject to the elaboration on the relevant pages of this Service set forth in Article 5 herein.
11. You agree and understand that MAX may suspend the Service or terminate or cancel the Agreement at any time if necessary (including but not limited to the situation set forth in Article 3 hereof). MAX will transfer the total amount (your original transferred amount and the yield generated and calculated up to the date of the Service suspension, termination, or the Agreement cancellation, then the sum of foregoing less the service fees according to Article 8 herein shall be transferred to your wallet address on MAX.
12. You agree and understand that MAX does not undertake or guarantee any profits and/or minimum earnings of the Service or make other similar undertakings in terms of the expected return, profits or earnings.
13. You agree and understand that MAX reserves the right, at its sole discretion, to modify the Agreement at any time without prior notice.
14. You agree and understand that the elaboration of this Agreement or this Service only lists general risks and is not inclusive of all risk factors of this Service. Prior to using or activating this Service, you shall make planning and risk assessment of your own crypto assets upon using the Service. You also agree to cope with your own crypto assets with caution and not exceed the risk level that you are able to bear to avoid unendurable risk deemed by you by hastily using the Service.
15. You agree and understand that your behavior of using the Service is bound by both the Agreement herein and MAX Terms of Use because you simultaneously use MAX's services when you activate the Service hereof.

16. The Agreement is governed by and will be construed according to the laws of the Republic of China (including but not limited to the validity, interpretation, construction, performance, and enforcement of the Agreement, or any disputes or controversies arising from or related to the Agreement). Any dispute, controversy, difference, or claim arising out of, relating to, or in connection with the Agreement, or the breach, termination, or invalidity thereof, shall be subject to the exclusive jurisdiction of the Taipei District Court.
